WEEKLY ANALYSIS

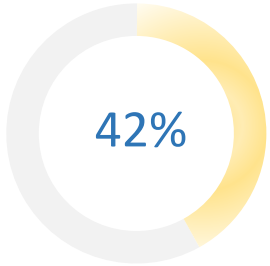

During Week 26 October 26 to 01 November 2026 a total of 43 maritime incidents were reported globally, comprising 18 maritime incidents, 04 piracy and armed robbery incidents, 03 smuggling incidents, 04 IUU fishing incidents, 02 maritime environmental pollution incidents and 12 other incidents. No narcotics related or irregular human migration incidents were recorded. In addition 06 weather-related incidents were reported, including 04 tropical cyclones and 02 earthquakes. Maritime security concerns remained significant, particularly in the Strait of Hormuz and Gulf of Aden where vessel fires and reported threats against commercial shipping highlighted continuing risks to maritime traffic. Notable incidents included the rescue of 25 crew members from the burning tanker RITI, the grounding and subsequent rescue of all 20 crew members aboard SIGMA PEARL, and several regional SAR operations. In Sri Lanka, significant incidents included a fire at Hambantota International Port, the successful rescue of four fishermen approximately 200 NM off Pottuvil the seizure of 38 kg of smuggled Kendu leaves at Silawathura and the seizure of nearly 1,500 illegally harvested sea cucumbers at Valaipadu Lagoon. Four IUU fishing incidents and two maritime environmental pollution incidents were also recorded.

Recommendations: Strengthen maritime surveillance, AIS monitoring and intelligence sharing, particularly in high-risk maritime areas. Enhance monitoring of vessel accidents and distress situations to improve SAR preparedness. Strengthen Sri Lankan coastal surveillance and intelligence-led operations to counter smuggling, illegal fishing and other maritime threats. Maintain regional cooperation and timely information sharing to address maritime security and environmental concerns.
